COMPANY: LYNN DONALDSON
& ASSOCIATES

Lynn Donaldson & Associates is an integrated interior design and general contracting firm specializing in customized residential and light commercial renovations, as well as decorative services. Starting the company from her basement 28 years ago, Lynn understood that her reputation was only as strong as her word. Today Lynn, along with her two sons, strive to deliver on that same promise that the company was founded on. By partnering with like-minded professionals and industry experts, the full-service design and renovation team continues to deliver excellence on a daily basis.

"One of my greatest inspirations in my daily life is my horse. Working with a 1,200 pound animal that only understands body language and intent has taught me to refine my communication skills and leadership style. I have learned to make deliberate decisions and execute each act with confidence." ~ Lynn Donaldson - President, Lynn Donaldson & Associates

"I am honored to accept this 2016 Leaders Award! I'm so appreciative of my team; their work ethic and personal commitment to quality outcomes are unwavering. They are true professionals whom I am proud to be associated with. Their service level continues to exceed expectations. I admire their dedication to our clients and to our company, which is the foundation of our success.

My sincerest thanks to the entire Lynn Donaldson & Associates team!"
